Dear Mr. Burdorf:

This office has completed our review and accepted the Helicopter Technology Company Combination Repair Station Manual, Quality Control Manual dated 09/23/2021 Revision L, and find no regulatory conflict with Title 14 of the Code of Federal Regulations, Part 145.

Please ensure that management, supervisory, and inspection personnel are familiar with the newly implemented repair station policies and procedures.

If we can be of further assistance, or if you have additional questions, please feel free to contact this office.

Sincerely,
